c) Brockley Wood – Information re Community Liaison Group - Has not yet been established. A member of Suffolk County Council has to set a date for the first meeting. In the interim Cllr Bamford has been in touch with Brockley Wood Associates about the massive amounts of spoil along the boundary and asked them to explain. Cllr Munday wanted to know if the £20K had been paid re the weight restriction – she referred to correspondence with James Cutting – Cllr Bamford will try and find the correspondence,

d) Appeal Site at Grove Solar Farm - The appeal is going through – the enquiry by the Planning Inspectorate starts on 20 January at Wherstead and takes place over seven days. It's a Public Enquiry so the public can attend. The Parish Council have Rule 6 Party status so can call on expert witnesses to speak for us. We will need to publicise the Enquiry in the village nearer the time. If residents wish to write to the Planning Inspectorate they are still accepting late submissions.

8.a) Bentley Conservation Area – Revision of Conservation Area Appraisal & Management Plan – Babergh are still updating the Conservation Management Plan following the Consultation

b) Siting of information board & signage for the Conservation Area – PCC has given permission to site an outdoor lectern in the Closed Churchyard. It was therefore proposed that we take advantage of this money from the Ganzoni Trust to purchase finger post signage and an information board.

9. Report by Exception – Tree Warden/Footpath Warden/Bentley Barn /Speedwatch – Tree warden – No reports have come in from residents. Will be starting to record the trees in Engry Wood next week. Message received from Millennium Seed Bank - been asked to collect seed in Dodnash Wood of Butchers Broom. Six Black Poplars have been ordered and are ready for collection – three Male – three Female. . . **Footpath Warden** – Footpath Warden walked the new diversion, it's a bit confusing where the new path joins the old path. Speaking with John Owen he is going to put up some red and white tape for clarity. Once the path is in full use it should be cleared. He has attached "No cycling" signs to the two new finger posts and reported another finger post down, that's now four in total. **Bentley Long Barn** – Is high priority now the Conservation Area has been designated with Babergh looking at possible solutions to renovate. **Speedwatch** - Nothing to report.

10. **SID Battery Management & change of site from Highfields** – SID has been moved to Bergholt Road.
