

## Bentley Carpet Bowls

### Annual Report to Bentley Parish Council

The last year has been very strange for us, when the first lockdown happened, we had one more game to play in the Winter League and we were placed 7<sup>th</sup> in Division 1 East, unfortunately it was looking as if we would return to the Division 2 East.

After discussion the committee of Suffolk County Bowls decided the 2019 /2020 Season had been declared void and there will be no relegation or promotion. So, when the next Winter League starts, we will still be playing in Division 1.

The 2019 / 2020 Joe Rice Cup and Plate have been also declared void. We managed to have a few roll ups between lockdowns and we are now looking forward to getting back to playing regularly at the end of the Month.
